

## REMARKS

It connection with the above-identified application for which a Notice of Allowance issued May 15, 2007, Applicant has determined that the title of the invention as indicated in the Notice of Allowance differs from that in the specification as filed. The title should be changed from **"CONDENSING HEAT EXCHANGER WITH DOUBLE BUNDLE OF TUBES"** to **--CONDENSATION HEAT EXCHANGER WITH DOUBLE TUBE BUNDLE--**. In addition, the Official Filing Receipt also reflects the incorrect title. In particular, instead of **CONDENSING HEAT EXCHANGER WITH DOUBLE BUNDLE OF TUBES** the title of the invention should be the same as in the specification as filed, namely **CONDENSATION HEAT EXCHANGER WITH DOUBLE TUBE BUNDLE**.

Inasmuch as the requested amendments are formal in nature and create no issues for consideration by the Examiner, entry of the requested amendments are respectfully requested. Additionally, Applicant desires that a corrected Official Filing Receipt be issued if possible.

If necessary, the Commissioner is hereby authorized in this, concurrent and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2666 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17, particularly extension of time fees.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR, & ZAFMAN
